interest; and this Court having found that the Debtors' notice of the Motion and opportunity for a hearing on the Motion were appropriate under the circumstances and no other notice need be provided; and this Court having reviewed the Motion; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, IT IS HEREBY ORDERED THAT:

1. The Rejected Contracts listed on **Schedule 1**, attached hereto, are rejected pursuant to section 365 of the Bankruptcy Code effective as of September 13, 2024. For the avoidance of doubt, nothing in this Order limits any creditor's right to assert the full amount of its claim under its respective contract.
2. Pursuant to the Court's Bar Date Order at Dkt. No. 636, any Contract Counterparty asserting a claim arising from the rejection of a contract or unexpired lease must file a proof of claim on account of such rejection, if at all, by 5:00 p.m. Central Time on or before thirty (30) days after the entry of this Order, or else be forever barred.
3. The Contract Counterparties shall be permitted to reclaim their equipment and personal property as of September 13, 2024, notwithstanding the automatic stay, and the automatic stay, to the extent applicable, is hereby modified as of September 13, 2024, as applicable, to permit the Contract Counterparties to reclaim their equipment and personal property as of September 13, 2024. The Debtors shall have no obligation to assist with the removal of such equipment and personal property, and no claims related to the removal of any such equipment and personal property shall arise following the Debtors' demobilization from the GPX Project on August 26, 2024. For the avoidance of doubt, nothing herein shall modify the terms of the GPX Settlement

or the Interim and Final Orders approving the same, or otherwise impose any obligations on GPX or CB&I that do not exist under applicable orders, agreements, or law.

4. Nothing contained in the Motion or this Order, nor any action taken pursuant thereto, nor any payment made pursuant to the authority granted thereby, is intended to be or shall be construed as: (a) an admission as to the amount of, basis for, or validity of any claim against a Debtor entity or a party in interest under the Bankruptcy Code or other applicable non-bankruptcy law; (b) a waiver of the Debtors' or a party in interest's rights to dispute any claim on any grounds; (c) a promise or requirement to pay any claim; (d) an implication or admission that any claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion;

(e) a waiver of any claims or causes of action that may exist against any creditor or interest holder;

(f) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code, except for the rejection of the Rejected Contracts identified on **Schedule 1**, attached hereto; (g) a waiver or limitation of the Debtors', Golden Pass's, CB&I's, or Chiyoda's rights under the Bankruptcy Code or any other applicable law; or (h) a waiver of any claims that the Debtors or any party in interest may have against any Contract Counterparty, whether or not such claims arise under, are related to the rejection of, or are independent of the Rejected Contracts.

5. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the Local Rules are satisfied by such notice.

6. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

7. The contents of the Motion satisfy the requirements of Bankruptcy Rule 6006.

8. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
